Math 113 To Do List

1. Read our course syllabus carefully.

2. Make sure you have access to our Moodle page:
   $$\texttt{https://moodle.reed.edu/course/view.php?id=3544}.$$
   If you do not, send email to davidp@reed.edu immediately.

3. If you do not have a graphics tablet, purchase one. See our syllabus for details. The link to the reimbursement form is on our Moodle page.

4. Join our Slack workspace. The relevant link appears on our Moodle page.
   (i) Send a first message to the `#general` channel (e.g., "Hello").

5. Join our Gradescope page. You will find the link and entry code on our Moodle page.

6. Prepare for Wednesday's class:
   (i) Do the reading for Wednesday: *Beginning counting* from our text for Wednesday. The link to our text is at the top of our course homepage (`https://people.reed. edu/~davidp/113/`).
   (ii) After reading the lecture, watch the accompanying Lecture/quiz (link at our course homepage). Make sure to hit the submit button at the end. The quiz is graded only on whether you complete it, not on the score.
   (iii) If questions arise, post them to the `#reading-lecture` channel on Slack.
